News From ABC Weekday Preschool

We are looking forward to September 8 and the opening day of our fifth year (*which seems hard to believe*) of the ABC Weekday Preschool. It has been an amazing journey over the past four years! Our staff members have been blessed in countless ways through the interaction with these precious preschoolers and their families. We have also been able to touch many families with the love of Jesus through this special ministry.

As this school year begins, join us in welcoming three new staff members: Carolyn Redden, Karen Rotton, and Bobbie McQuinley. Please pray for the children, their families, and our entire staff as school begins. We know for certain that the prayers of His people can result in mighty works and we look forward to the great things that will happen this school year in the lives of those entrusted to our care...and all for His glory!

Many thanks to those who helped us clean the rooms!!! You are greatly appreciated!!!

"And Jesus increased in wisdom (mental development), and in stature (physical development), and in favor with God (spiritual development) and man (social and emotional development)." Luke 2:52

If you would like to volunteer in one of the classes from time to time please let us know. We always welcome helping hands!!!
